STAYING SAFE @ ALL ABOUT DOGS 2021

Your safety is important to us when visiting our show so we have been working hard behind the scenes and put extra measures in place to keep visitors, exhibitors and staff safe.

HEALTH CHECKS

If you are experiencing symptoms connected with Coronavirus (Covid-19) and feel unwell or currently self-isolating, then please DO NOT attend the show. Any member of the public clearly displaying such symptoms will be refused entry.

Please familiarise yourself with the following and always check the [Government's current guidelines](#) before leaving home:-

TEST & TRACE - ALL VISITORS WILL BE REQUIRED TO REGISTER DETAILS ON ENTRY TO THE SITE AS PART OF TEST & TRACE

SOCIAL DISTANCING

Visitors to the show can only purchase tickets on-line in advance as tickets are limited. By purchasing on-line you are agreeing to share your information with the NHS Test & Trace service.

The lead ticket purchaser for a group must know the contact details of their party.

We will monitor the number of visitors attending the show throughout the day and take action, where appropriate, by restricting/regulating the flow to comply with the current social distancing rules on the date of your visit.

All tickets must be scanned on entry to the show to enable us to keep an exact head count.

Please look out for our new Covid signage and help us keep you safe by adhering to the requests as these measures are put in place for all our benefits.

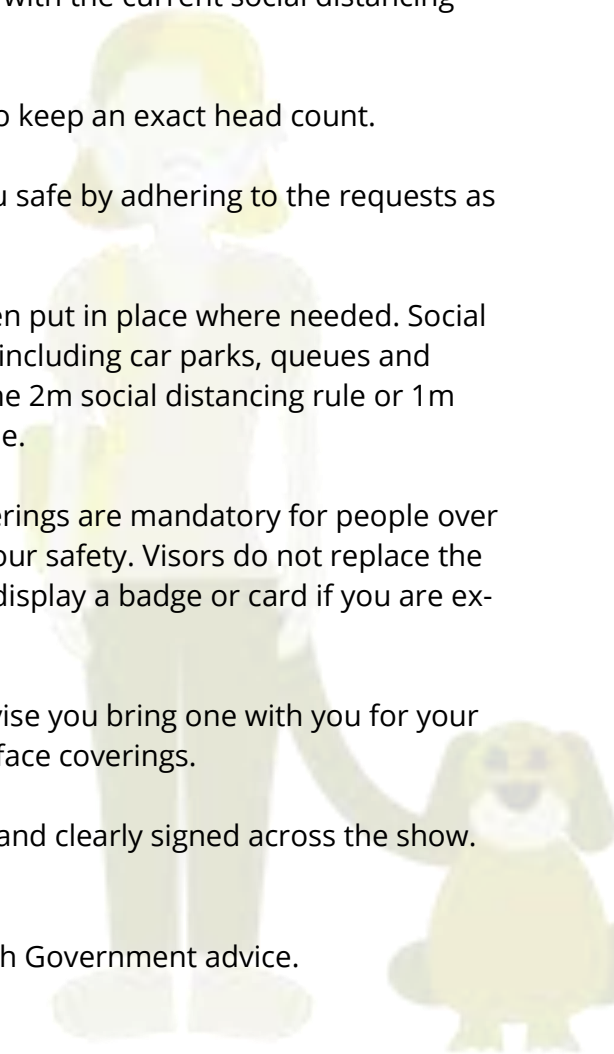

The show layout has been addressed and wider aisles have been put in place where needed. Social distancing will be in place across the entire Show and Grounds including car parks, queues and around the main stage/arena (if present) so please adhere to the 2m social distancing rule or 1m mitigation (face coverings, screens etc) where this is not possible.

If marquees with sides on are in use at the show then face coverings are mandatory for people over the age of 11+ and there will be one way systems in place for your safety. Visitors do not replace the requirement for face coverings. To assist our stewards, please display a badge or card if you are exempt from wearing a face covering.

Face coverings are not mandatory when outside, but we do advise you bring one with you for your own comfort and protection. Please note: – We do not provide face coverings.

Hand washing facilities and sanitising stations will be provided and clearly signed across the show. Please sanitise your hands before entering the show.

Toilets provided at the show will be cleaned regularly in line with Government advice.
